BATAVUS
OLD DUTCH STEP THROUGH

Imagine doing everything you do, except on a bike. Now that's an exciting thought, isn't it? You could wear a suit, that little black dress, those designer jeans, or that suit – on a bike! Sit high above traffic, feel the safety of its solid frame, breathe a little deeper, and, well, tone that butt. This is the archetypical Dutch bicycle from the company that practically invented it.

Frame type	Step through
Frame material	Galvanized steel
Gears	Shimano 3 speed hub
Brakes	Drum
Fork	Steel
Wheels	Stainless steel 28"
Tires	Puncture resistant
Grips	Comfort
Saddle	Selle Royal
Dynamo	
Headlight	LED, batteries
Rear light	LED, batteries
Parking lock	Trelock
Rear cargo rack	Steel
Weight	19.2 kg
Sizes Classic	56cm, 60cm
MSRP	\$850

The 1-2-Have is really the bike to have. Unlike the Favoriet which features a coaster brake, the 1-2-Have has a double drum brake that provides more power and all-season reliability. Combining reliability and haute couture fashionability, the 1-2-Have maintains classic good looks and sophisticated sensibility.

Saddle	Selle Royal
Dynamo	
Headlight	LED, batteries
Rear light	LED, batteries
Parking lock	Trelock
Rear cargo rack	Steel
Weight	19.2 kg
Sizes	50cm, 56cm
MSRP	\$950

Made just for the North American market, the 5 speed Fryslân is the most adaptable classic Dutch bike on the market. It can climb hills, traverse longer distances, and still maintain its classic good looks. Designed after the original 1904 Batavus Omafiets (grandma bike), the Fryslân features Schwalbe cream tires and the classic Batavus font used at the turn of the century.
